# Kids Crew

## Nutritional Information

We all love going to the cinema and we all love a treat while we're watching a movie. We've tried to ensure that our Kids Crew Combos are as healthy as possible within the limits of the items available to us. It's very important that they are consumed as part of a wider balanced diet. We've put this information together to allow you to see exactly what is in the combos and the basic nutritional data for each item. We hope you can use the information below to best determine which combination of items is suitable for you. If you would like to see more detailed nutritional information for any product, please ask in the cinema. Our popcorn is GMO free and is suitable for vegans and coeliacs.

### Popcorn

	Calories per 100g	Calories per Pack	Sugar per 100g	Sugar per Pack
Sweet (30oz)	488	244	9	4.4
